NECTA 2017 Convention & Exhibition
NECTA 2017 - Focus on Customer Excellence

July 12 – July 14, 2017 ~ Newport, RI

May 2, 2017

Dear Potential Sponsor:

NECTA will be proudly hosting the 2017 Annual Summer Convention in just a few short months. The theme for this year's event is: NECTA 2017 - Focus on Customer Excellence! Historic Newport with its seaside charm and boating, shops and attractions is once again our beautiful location. The Annual NECTA Convention and Exhibition has earned a reputation as a major industry event featuring top speakers from business, sports, and government.

NECTA members have contributed to our ability to offer educational panels and informative sessions, allowing us to continue the high quality of our presentations.

We need your continued support. Would you please consider a Sponsorship?

Being a Sponsor provides the opportunity to showcase your company and to meet with many influential representatives of our industry. Working together we can offer an exciting Convention with something to gain for everyone.

The 2017 Sponsorship levels have been updated this year to reflect some exciting new additions to our program in order to add value for your company sponsorships as outlined on the Sponsorship Opportunities Order Form. We include free logo placement on the tee shirt at all sponsorship levels, and have provided opportunities for more advertising for your company by sponsoring a particular event during the convention. In addition, there is a private, invitation only, cocktail party with high level Operators from across New England offered to the Silver level and above sponsors. This is a unique chance to get quality face time with the key decision makers.

Thank you in advance for taking the time to review the Sponsorship Opportunities Order Form to see what exciting opportunities fit the needs of your company. Please advise as soon as possible of your level of participation, and do not hesitate to contact us with any questions at 781-843-3418, or via email to ckillian@necta.info, pcianelli@necta.info, or twilkerson@necta.info.

Best regards,
